## STATEMENT OF RESPONSIBILITY

The accompanying financial statements are the responsibility of the management of the Town of Labrador City and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

The Council of the Municipality met with management and its external auditor to review a draft of the financial statements and to discuss any significant financial reporting or internal control matters prior to their approval of the finalized financial statements.

Pearl R. Lee, Chartered Professional Accountant, as the Municipality's appointed external auditor, has audited the financial statements. The Auditor's report is addressed to the Mayor and members of Council and appears on the following page. Her opinion is based upon an examination conducted in accordance with Canadian generally accepted auditing standards, performing such tests and other procedures as she considers necessary to obtain reasonable assurance that the financial statements are free of material misstatement and present fairly the financial position and results of the Municipality in accordance with Canadian generally accepted accounting principles.

INDEPENDENT AUDITOR'S REPORT

The Mayor and Councillors  
Town of Labrador City  
Labrador City, NL

**Opinion**

I have audited the financial statements of the Town of Labrador City (the Town), which comprise the statement of financial position as at December 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Town as at December 31, 2023, and its results of operations and its cash flows for the year then ended in accordance with Public Sector Accounting Standards (PSAB).

**Basis for Opinion**

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Town in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

.../3

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, related safeguards.

LABRADOR CITY, NL

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

Status of the Town of Labrador City

The Town of Labrador City is a municipal government that was incorporated on June 27, 1961 pursuant to the Province of Newfoundland and Labrador's Municipalities Act, 1999. The Municipality provides or funds municipal services such as fire, public works, parks and recreation, library, tourism, economic development activities and other general government operations.

1. Significant accounting policies:

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles as outlined in the CPA Canada Public Sector Accounting Handbook and reflect the following significant accounting policies:

(a) Basis of accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the creation of a legal obligation to pay.

(b) Cash and temporary investments

Cash and temporary investments include cash on hand, current accounts, savings account and short-term investment with maturities of three months or less from the date of acquisition.

(c) Investment

Temporary investments are accounted for at the lower of cost and market.

(d) Real estate properties held for sale

Real estate properties held for sale and recorded at the lower of cost and net realizable value. Cost includes the amount of acquisition, legal fees, and improvements to prepare the properties for sale or servicing.

It is reasonably anticipated that real estate properties held for resale will be sold outside the reporting entity within one year of the balance sheet date.

(e) Government transfers

Government transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made.

...cont'd

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

1. Significant accounting policies (cont'd):

(e) Government transfers (cont'd)

Unearned government transfer amounts received but not earned are recorded as deferred revenue. Earned government transfer amounts not received are recorded as a receivable.

(f) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

Real estate properties and inventories held for sale are classified as non-financial assets if it is anticipated that the sale will not be completed within one year of the reporting date.

(g) Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Assets under construction are not amortized until the asset is put into use and amortization is calculated on a monthly basis from the month the assets is put into service until it is sold or put out of service. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

General Tangible Capital Assets

|                                             |                |
|---------------------------------------------|----------------|
| Land                                        | Indefinite     |
| Land improvements                           | 5 to 30 years  |
| Buildings                                   | 5 to 50 years  |
| Vehicles and Equipment                      |                |
| Vehicles                                    | 4 to 25 years  |
| Machinery, equipment                        | 2 to 75 years  |
| Maintenance and road construction equipment | 11 to 25 years |
| Computer Hardware and Software              | 4 to 15 years  |
| Furniture and Fixtures                      | 2 to 25 years  |

Infrastructure Tangible Capital Assets

|                                         |                 |
|-----------------------------------------|-----------------|
| Transportation                          |                 |
| Land                                    | Indefinite      |
| Road surface                            | 12 to 30 years  |
| Road grade                              | 12 to 20 years  |
| Traffic lights and equipment            | 5 to 10 years   |
| Water and Sewer                         |                 |
| Land                                    | Indefinite      |
| Land improvements                       | 5 to 40 years   |
| Buildings                               | 10 to 100 years |
| Underground networks                    | 20 to 55 years  |
| Machinery and equipment                 | 3 to 40 years   |
| Dams and other surface water structures | 50 years        |

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

1. Significant accounting policies (cont'd):

(h) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to the ownership of the property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

(i) Inventories

Inventories of supplies held for consumption are recorded at the lower of cost and replacement value. Cost is calculated on the first in, first out basis.

Inventory of real estate held for resale is recorded at the lower of cost and realizable value. Cost is determined according to the cost to acquire each specific property. Although these are held for resale, there are no sales pending as at year-end on these properties.

(j) Revenue recognition

Revenues are recognized as earned and when collection is reasonably assured. Tax rates are approved annually by Council.

(k) Use of accounting estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

(l) Landfill closure and post closure liabilities

The Town maintains a waste disposal site. The estimated cost to close and maintain solid waste landfill sites are based on estimated future expenses, in current dollars, adjusted for estimated inflation, and are charged to expenses as the landfill capacity is used.

(m) Landfill cell opening fund

The Town has established a fund to open a new landfill site once the site presently being used reaches capacity. The amounts have been calculated from estimates, provided by the Town's engineer, that were adjusted for estimated inflation.

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

1. Significant accounting policies (cont'd):

(n) Severance pay

Management employees are eligible for severance pay. The Town accounts for severance pay on an accrual basis and the amount is calculated based upon accumulated years of service. The amount is payable when the employee ceases employment with the Town.

(o) Post retirement benefits

The Town provides post retirement benefits in the form of extended life and health coverage to employees. The costs associated with these benefits are recorded in the financial statements on an annual basis with the estimated future liability for post retirement benefits being reported in the statement of financial position.

(p) Pension costs

All qualified permanent employees are covered by a multi-employer pension plan administered by Newfoundland & Labrador Municipal Employee Benefits Inc. operating under the name of TRIO. As it is a multi-employer plan, it is being accounted for as a defined contribution plan because there is not sufficient information available to follow the defined benefit plan accounting rules.

Contributions to the plan are required by the employees at the rate of 7.25% of regular pay and by the Town at the rate of 7.25% of regular pay. The annual contributions for pensions as well as special payments to address the current unfunded liability in the pension plan are recognized in the financial statements on an accrual basis. The total of the current unfunded liability within the pension plan has been accrued in the Town's financial statements.

2. The manner in which the accounts have been kept and the safeguards against fraud

The Municipality's position in this respect was considered satisfactory.

3. Sufficiency of bonds

Fidelity bond coverage of \$125,000 is carried on employees of the Town who are in a position of trust and this coverage is considered to be adequate.

4. Cash and temporary investments:

|                        | <u>2023</u>         | <u>2022</u>       |

|                  | <u>\$ 2,533,956</u> | <u>2,902,371</u> |

## 7. Employee benefits liability:

|                                           | <u>2023</u>         | <u>2022</u>      |
|-------------------------------------------|---------------------|------------------|
| Accrued post retirement benefits (Note 8) | \$ 873,445          | 833,218          |
| Accrued severance benefits (Note 9)       | 771,032             | 741,166          |
| Pension costs payable                     | <u>5,507</u>        | <u>3,823</u>     |
|                                           | <u>\$ 1,649,984</u> | <u>1,578,207</u> |

## 8. Accrued post retirement benefits:

The Town has a group insurance plan for its employees while employed and coverage can be continued into retirement at the employee's option.

|                                                                   | <u>2023</u>       | <u>2022</u>    |
|-------------------------------------------------------------------|-------------------|----------------|
| Management employees (life insurance, health and dental benefits) | \$ 766,065        | 728,385        |
| Unionized employees (health benefits)                             | <u>107,380</u>    | <u>104,833</u> |
|                                                                   | <u>\$ 873,445</u> | <u>833,218</u> |

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

9. Accrued severance benefits:

|                           | <u>2023</u>       | <u>2022</u>    |
|---------------------------|-------------------|----------------|
| Accrued severance benefit | \$ 65,656         | 69,851         |
| Accrued vacation benefit  | 700,916           | 667,490        |
| Accrued overtime payable  | <u>4,460</u>      | <u>3,825</u>   |
|                           | <u>\$ 771,032</u> | <u>741,166</u> |

10. Unfunded pension liability:

The Town provides its employees with a pension plan through a defined benefit multiemployer retirement plan. The main distinguishing characteristic of a multiemployer plan is that the contributions by one participating entity are not segregated in a separate account or restricted to provide benefits to employees of the entity and thus may be used to provide benefits to employees of all participating entities.

This defined benefit pension plan is equally funded by participating management and unionized employees. During the year ended December 31, 2023, the Town was invoiced by the pension administrators for its portion of the unfunded pension plan for past service resulting in the requirement to make special payments in the amount of \$8,033 monthly for 15 years commencing January 1, 2009, then on January 1, 2014, the monthly amount has been reduced to \$7,351. It was again reduced January 1, 2017 to \$6,832. Effective January 1, 2020, the monthly amount was increased to \$7,515 and has remained at that level.

11. Deferred revenue:

|                                             | <u>2023</u>         | <u>2022</u>    |
|---------------------------------------------|---------------------|----------------|
| Iron Ore Company of Canada grant in lieu    | 1,000,000           | -              |

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

12. Landfill closure and post closure liabilities (see Note 1(l)):

The first cell of the new landfill opened in May 2010. It has since been expanded and has a useful life of 28 years. Closure costs in 2038 have been estimated at \$6,325,200 cost shared with the Town of Wabush according to tonnage.

|                                           | <u>2023</u>         | <u>2022</u>      |
|-------------------------------------------|---------------------|------------------|
| Landfill closure and post closure accrual | \$ <u>1,710,559</u> | <u>1,547,716</u> |

In the year ended December 31, 2023, the Town accrued a liability for landfill closure and post closure costs in the amount of \$162,843 (2022 - \$148,231 which represents management's best estimate of this liability. By their nature, these estimates are subject to measurement uncertainty. The estimated liability for these expenses is recognized as the landfill site's capacity is used. Estimated total expenses represent the sum of the discounted future cash flows for closure and post closure care activities discounted at the Town's average long-term borrowing rate of 3%.

Future events may result in significant changes to the estimated total expense, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

13. Long-term debt:

|                                          | <u>\$ 1,675,739</u> | <u>1,702,880</u> |

15. Commitment:

The Labrador West Regional Landfill facility is managed by the Town of Labrador City via a Waste Management Committee representing both the Town of Labrador City and the Town of Wabush. The operating costs are shared by both Towns on a tonnage basis.

16. Contractual obligations:

The Town leases a two Freightliner trucks under operating leases expiring December 2024, a Caterpillar wheel loader under an operating lease expiring June 2025 and a Caterpillar wheel loader under an operating lease expiring March 2026. Future minimum lease payments will aggregate \$360,500 over the next three (3) years: 2024 - \$239,247, 2025 - \$103,253 and 2026 - \$18,000.

The Town also leases six Xerox office equipment under operating leases expiring January 2024, February 2024, November 2025 and July 2028 and one Pitney Bowes equipment under operating leases expiring October 2027. Future minimum lease payments will aggregate \$36,012 over the next five (5) years: 2024 - \$12,791, 2025 - \$9,945, 2026 - \$5,889, 2027 - \$5,407 and 2028 - \$1,980.

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

17. Municipal reporting entities:

The Town of Labrador City does not have the power to govern the financial and operating policies of any organization nor is the Town of Labrador City positioned to benefit or have any risk of loss on the basis of any organization's activities.

18. Potential environmental liabilities:

Fuel Oil Tanks

The Town of Labrador City has an underground oil storage tank (approximate capacity of 200 gallons) at the curling club which was installed in the early 1960's to store and supply furnace oil to the oil-fired furnace that was part of the original building construction. The oil-fired furnace was decommissioned and removed in the late 1980's when electric heat was installed in the building. The Town of Labrador City does not know whether the tank was drained when it was decommissioned. The tank is located on the east side of the building at the rear of the add-on porch and is approximately 8 feet below grade. The path forward for removal of the oil tank will be determined in the Town's Strategic Capital Plan which will be finalized in 2024.

19. Works of art:

The Town of Labrador City has the following works of art on display in the Council Chambers:

|                                                                |                           |
|----------------------------------------------------------------|---------------------------|
| "Spring - Menihek Lake"                                        | by Maurice Haycock (1962) |
| "Labrador City"                                                | by Maurice Haycock (1964) |
| Mining Exploration Labrador West (descriptive) by A.Y. Jackson |                           |

In 2011, the Town of Labrador City purchased twenty (20) original paintings from four local artists: Cheryl Hardy, Mary Jacobs, Marjorie O'Brien and Irene Rice. These paintings depict scenes from the early years of the Town and were displayed for the first time at the 50th anniversary celebrations in June 2011. The painting have been since distributed and are on display in municipal and other public buildings throughout the community.

20. Financial instruments:

The Municipality, as part of its operations, carries a number of financial instruments. It is management's opinion that the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

TOWN OF LABRADOR CITY  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023

21. Budget:

In accordance with the Province of Newfoundland and Labrador's Municipalities Act, every council must adopt a financial plan for each fiscal period in a form approved by the minister. The financial plan is prepared on a revenue and expenditure basis that does not meet the recommendations of PSAB. For comparative purposes, the Town of Labrador City has modified its financial plan to prepare a budget that is consistent with the scope and accounting principles used to report the actual results. The budget figures used in these financial statements have been approved by Council.

The reconciliation between the Municipality's cash based financial plan and the PSAB accrual based budget figures used in these statements is disclosed in Schedule 8 - Reconciliation of the Financial Plan to the Budget.
