Notice to users of the MARC Gymnasium:

We would like to remind all patrons of the MARC gymnasium to treat staff with respect and courtesy at all times. Recently, there has been an increase in incidents involving inappropriate behaviour toward our employees, and such conduct will not be tolerated.

Please note that scheduled gym times are strictly adhered to. Users are not permitted on the gym floor while staff are still in the process of cleaning and preparing the space for your booking. Additionally, members of the public are strictly prohibited from entering staff only areas or removing equipment from janitorial closets or staff members themselves to expedite access. All equipment is the property of the town and must be handled by authorized personnel only.

All bookings must be made through the administrative office, open Monday to Friday from 8:00 a.m. to 4:00 p.m. Any user or group NOT set up as a billing account must pay for the booking/rental prior to the rental date during regular office hours.

We appreciate your cooperation in ensuring a safe and respectful environment for everyone.
