**NOISE ABATEMENT REGULATIONS**

1. No person shall use any noise-making device including that of voice, which would be heard in the streets to sell anything, to solicit business or attract attention, without first having obtained a permit from Council.
2. No person shall, in the Town, operate or cause or permit to be operated any public address system, gramophone, radio, stereo, or other device or apparatus for reproducing or amplifying sound, the sounds of which are capable of being heard on any street in the Town without having first received a permit.
3. Council may attach to a permit such conditions as it deems fit for the purpose of carrying out the spirit and intent of this bylaw, including the volume of sound and the time/duration of same.
