## **Outdoor Wood Burning Appliances:**

Outdoor wood burning appliances may be used throughout the Town of Labrador City subject to the following provisions:

- a. Only one (1) outdoor wood burning appliance may be situated on a property and such use shall be limited to the rear yard unless otherwise approved by the Office of the Fire Chief (refer to Town of Labrador City Open Air Burning Regulations);
- b. The installation, location or re-location of all wood burning appliances is subject to approval from the Office of the Fire Chief;
- c. Wood burning appliances shall be limited to CSA, ANSI or ULC approved retail units that:
  - i. completely contain the fire;
  - ii. are of sufficient construction to withstand the affects of heating and cooling;
  - iii. are equipped with a grate to allow for proper air flow and cleaner burning;
  - iv. are screened and the chimney equipped with a spark arrestor to prevent the escape of sparks or other burning material
- d. Wood burning appliances shall be properly maintained in good condition, working order and repair at all times;
- e. No wood burning appliance shall be permitted on any patio or deck that is attached to a residence;
- f. All appliances shall be placed on a level, fire retardant surface such as concrete or patio blocks;
- g. To minimize smoke by-product, only dry seasoned firewood or fire logs shall be used;
- h. Smoke, smell, airborne sparks or embers shall not infringe on the use and enjoyment of other properties or become a nuisance to neighbouring residents;
- i. Clearances of 4.6m (15') shall be observed in all directions from other combustible materials;
- j. The flame area shall not exceed the screening and spark arrestor;
- k. A fire extinguisher or garden hose connected to a water supply must be readily available for use while the fire is burning;
- l. Fires are prohibited in high wind conditions or if the Fire Weather Index is high or extreme. Contact the Department of Natural Resources, Forestry and Wildlife Division for information.
- m. The fire must be supervised at all times by the owner of the property or a person having reached the age of majority within the Province of NL and who has the owner's written consent to conduct the burning;
- n. The fire must be extinguished completely, leaving only cold ashes, prior to leaving the fire;
- o. All ashes from a wood burning appliance must be totally extinguished prior to being discarded and no ashes from a wood burning appliance are to be discarded in a manner which may start a fire.

## **OFFENCES AND PENALTIES:**

Any person who is guilty of an offence under the Town of Labrador City Open Air Burning Regulations or who acts in contravention of and fails to comply with any provisions thereof, or neglects or refuses to do so, shall be liable on summary conviction to a fine of not less than \$100 and not more than \$1,000 and/or a term of imprisonment of not more than three months for each offence. Each day upon which the same offence is committed or continued is a separate offence.
