

**WABUSH**

## **PUBLIC NOTICE**

As the construction season is just around the corner, a friendly reminder that you will require permits for the following:

- Fences
- Porches/Canopies
- Patios
- Driveways/Excavation front lawn
- Accessory buildings (excluding steel garages) but including: greenhouse, temporary or vinyl sheds.
- Attachments such as attached garages or extensions
- Renovations – depending review of description of renovations.

During Budget 2021, Council removed the following permits and fees:

- Replacing siding and windows
- Re-shingle of roof

All permit applications can be found online at [www.labradorwest.com](http://www.labradorwest.com) and can be dropped off at the Town Hall or emailed to [planning@wabush.ca](mailto:planning@wabush.ca) ALL applications must be accompanied with a real property report indicating location and size of construction. Without this info, this could possibly delay the process of your application. It may take up to 5 business days for processing once received.

Any questions please reach out to our Director of Planning & Land Use at [planning@wabush.ca](mailto:planning@wabush.ca)
