

**LABRADORCITY**

## Public Wi-Fi Project

---

**FOR IMMEDIATE RELEASE**

**08/30/2018**

The Town of Labrador City is very excited to announce the launch of our Public Wi-fi Project for the enjoyment and convenience of our citizens.

Residents of Labrador West will now enjoy access to free public wi-fi at Centennial Playground on Hudson Drive.

In the coming weeks upon completion of the project, public wi-fi will also be available at the Rotary Peace Park, Tanya Beach, Gateway, and the Booth Avenue Recreation Area, which includes the Skateboard Park, Tennis Courts, and Gordon Young Ballfield.

The Town would like to acknowledge our Federal and Provincial funding partners, ACOA and TCII. We are pleased to announce that this project is very unique as it is the first of its kind to receive government funding in the Province of NL.

The Town also wishes to acknowledge our partnership with CRRS TV in getting this project off the ground with the hardware installation and hosting of the service.

We encourage all residents to come out and visit our wonderful recreation facilities and enjoy this modern upgrade!
