

Notice to Residents of Labrador West

Re: Jean Lake Trail

Pet owners who walk the Jean Lake Trail are required have their pet on leash at all times.

Pet walkers are required to carry a baggie and something to scoop any feces left by your animal. Leaving the feces on or near the walking trail is prohibited. It is unsanitary for the groomer operators, machinery and other walkers.

If this continues, you will be prohibited from walking your pets on this trail as this dirty and unhealthy habit will create a mess and stench, especially during Spring melt and Summer heat, making the trail unfit for use.

Take some pride in this beautiful walking trail.

Learn to “Poop and Scoop”.
