

PUBLIC NOTICE

The Town of Wabush and Tacora Resources would like to advise and remind residents and businesses that it is **ILLEGAL** to dump, dispose, or otherwise leave any garbage, vehicles, skidoos etc...within the Town of Wabush Sandpits area or within any Town Boundaries.

Previously the Town has been successful in achieving convictions to people who have disposed of garbage in the past. A person found guilty can face a fine of not less than \$500 and not more than \$1000 or a term of imprisonment of not more than 3 months. For a corporation, a fine not less than \$1000 and not more than \$1,000,000.

The Town recently removed and disposed of discarded oil drums within its Municipal Watershed. These drums are full of "unknowns". If these drums had punctured or leaked, there was a possibility of contaminating the Towns only water supply. This incident has been reported to the Department of Environment & Conservation & the RNC.

Report any illegal activity you may witness or come across to the Town Office Monday – Friday or after hours 282 – 5696.
