

**WABUSH**

Tis' the Season for fireworks!

The Town of Wabush would like to remind residents as per the Towns Noise Abatement By-law Section 4, all residents must seek a fireworks permit. This permit is **FREE**.

All firework permits will be posted on the Towns Facebook page as a public notice in order for residents to be aware of times and locations of fireworks being discharged in order to prepare, i.e. pets, people with sensory orders etc.....

Please visit [www.labradorwest.com](http://www.labradorwest.com) for an online application if you are planning on discharging fireworks.

**TOWN OF WABUSH THANKS YOU FOR YOUR COOPERATION**
