

Town of Wabush

Council Policy

Section: Public Works

Policy: Snow & Ice control – Damage Claims

This policy is in place to state Council's position to privately owned curbs, fences, trees and shrubs due to snow clearing and ice/snow removal activities

- The Town of Wabush, shall not assume responsibility or liability for damages to private curbs, fences, trees, shrubs or walls during snow/ice removal or snow clearing or damage resulting from the weight of snow being pushed or blown by snow clearing equipment
 - Residents are encouraged to install wooden markers indicating shrubs, trees, fences walls etc...to avoid damage.
 - The Town shall not be responsible for damage or cleanup of lawns, flower beds, trees etc...caused by the accumulation of salt, sand or other debris remaining after snow banks melt, or otherwise arising from snow clearing and ice removal.
 - The Town shall not be responsible for damage of a more direct nature to illegally parked or abandoned vehicles during the winter parking ban from October 15 to April 30 every succeeding year as illegally parked or abandoned vehicles interfere with snow clearing operations.
 - The Town shall replace sods damaged on the Town's right-of-way as a result of snow clearing as workload permits. Once replaced the resident shall be required to maintain the replaced area. Damaged area of sods will be top soiled and seeded.
 - The Town shall not be responsible for damage to any objects left or placed in the Town's right of way.
-
