

Town of Wabush

Section: Planning

PD-TG-008

Policy: Tarp Garages

Temporary storage domes will be permitted for residential use provided the following conditions are adhere to:

- Temp storage domes must be manufactured and meet NFC fire rating and flame spread rating.
- Temporary garages to be set back one (1) meter inside side and rear yard property line. Three (3) meters in the front yard only during winter season, as not to interfere with snow clearing. If in front yard, has to be removed by May.
- Not more than one tarp garage allowed on property
- No permit fee required

All previous policies and amendments referring to tarp garages are hereby repealed.

Date Approved: JAN 18 2023

Meeting #: 23-01

Mayor: [Signature]
