## LABRADOR CITY

You can't have winter without Winter Carnival, and you can't have Winter Carnival without coming together! Once again, we are proud to co-host what has become an extraordinary week in our communities.

Winter Carnival has a long tradition of music, food, and family fun; some of the most popular events include Battle of the Blades, Business Brain Battle, and the Kub Kar races at JRS middle school. And let's not forget about all the amazing food events scheduled for your enjoyment.

While enjoying the festivities, don't forget to thank our Winter Carnival Committee! They work long and hard all year long planning this week.

The schedule is jammed packed with tons of activities, for the young and young at heart, be sure to get out and make the most of our magnificent Winter Carnival!

Belinda Adams  
Mayor, Labrador City

## WABUSH

As we "Celebrate as One" I would like to encourage everyone to go out and enjoy our Labrador West Winter Carnival.

There is something for everyone. It's a great time for families to get out and have some wonderful time together and create long lasting memories. I would like to take this opportunity to thank all the organizers and volunteer's for taking the time to give back to our communities making the weeks activities an enjoyable and memorable event.

Mayor Ron Barron

*Ron Barron*  
Mayor of Wabush

On behalf of the Winter Carnival Committee, I would like to send a heart-felt thank you to everyone who makes Carnival so successful each and every year. Again, this year we have tremendous support from our sponsors, volunteers, and organizers and are able to offer a jam packed schedule again for 2025. It takes a lot of time, effort, and thought to ensure we offer a wide range of activities for all ages.

Also, a special thank you to the Town of Labrador City and Town of Wabush for your continued support while we ‘Celebrate as One’. The employees always take such pride in assisting us in carrying out the behind-the-scenes preparation that guarantees a successful event!

The Winter Carnival is intended to make sure you have fun and create wonderful memories – so we invite you, the community, to come out and enjoy all the planned festivities! There are some new events and some carnival favourites but there is something for everyone!
