

LABRADORCITY

Public Notice: Potential Water Service Interruption

August 28, 2025

The Town of Labrador City advises residents that there may be an interruption to water service beginning **Thursday, August 28, 2025, at approximately 5:00 PM** due to necessary repairs to the main water line. This potential disruption could affect all areas of Town.

What You Need to Know

- The water is **not being shut off** right now. You might just notice lower pressure for a while.
- We **don't expect the water to be turned off at all**. But if repairs take longer than expected, we may have to ask everyone to use less water.
- If that happens, there will be **no warning**. To be safe, fill up some containers or a bathtub with water now so you'll have it ready for things like drinking, cooking, and flushing toilets.

We apologize for any inconvenience this may cause and thank you for your patience and cooperation as we work to maintain our community's water infrastructure.

Stay Informed

Updates will be posted on labradorwest.com and the official **Town of Labrador City Facebook page**. For more information, please contact: info@labradorcity.ca or call (709) 944-2621.
